Quick Reference Guide

CorrigoPro – Corrigo Assure

- **Click on the Corrigo Assure App on the CorrigoPro Desktop homepage to open up and learn about Corrigo Assure**

  - Corrigo Assure is a service that enables you to stand out on the Corrigo platform and get more work. Corrigo Assure uses your W9 to run common screens like IRS TIN Match, bankruptcy, OSHA and terror watchlist and show the results. You can proactively enroll in Corrigo Assure **and get screened at no cost to you**
  - Click **ENROLL** at the bottom of this page to enroll in this feature
  - When Enrolling, the app will pull data from your existing profile and ask you to confirm that information to register. You will also need to attach a W-9 Form to get enrolled
    If you have any questions about Corrigo Assure, or would like to sign up for a Demo, click this link to learn more!
